REQUEST FOR CERTIFICATE OF CORRECTION

Sir:

The Assignee of record in the above-referenced patent, Sonus Networks, Inc., by virtue of an assignment recorded September 9, 2003, at Reel 014482, Frame 0714, hereby requests that a Certificate of Correction be issued for U.S. Patent No. 7,586,925 under 37 C.F.R. § 1.323. The Assignee respectfully submits that these mistakes are of a clerical and/or typographical nature, and that correction of these mistakes does not involve changes which would constitute new matter or require reexamination.

Specifically, the mistakes in U.S. Patent No. 7,586,925 include:

- column 1, line 7, in the Related Applications section, should read "U.S. patent application Ser. No. 10/658,053" instead of "U.S. patent application Ser. No. 10/685,053".

- claim 8, at column 18, line 45, where the claim should read "data identifying" rather than "data, identifying".

The Assignee respectfully submits that the correction to claim 8 corrects the language of the claim to be consistent with the Amendment and Response filed on March 10, 2009. The

Assignee respectfully requests issuance of a Certificate of Correction to correct these typographical errors. The Office is invited to contact the Assignee's Attorney at the number below with any questions regarding this Request. The Commissioner is hereby authorized to charge any fees that may be due to Deposit Account No. 50-3081.

Respectfully submitted,

Date: October 1, 2009
